Jerry:

**Your Question:** *Section V, subsection F requests org charts and resumes for the main team. Are resumes required just for the main team (architects only)? The reason I ask is because section H asks for just names and addresses of the sub-consultants (civil, MEP, structural etc.). Can you please clarify what you require.*

**Answer:** You may use your own discretion in regard to your question above. Your sub-consultants' individual resumes may reinforce the credibility and professional acumen of your overall design team or they may detract and weaken the strength of your design team. It is up to you to decide what makes your submittal most credible to you (*the lead architectural design professional*) and, eventually, our Milwaukee County RFP review team.

Sincerely,

Walter L. Wilson, FAIA, NOMA, NCARB
